Starlines II

Residential

2020 Website Program Description

Starlines II

Poised at the convergence of science, technology, and consciousness, Starlines II is a blend of physics and metaphysics that builds on the power of Starlines I

Residential Program
$2,195.00
5 Days + 6 Nights

Prerequisites
Starlines I

Explore forms of dimensional shifting by employing ultra-deep Focus level 49. Strengthens the energetic pathway between earth core and the galactic core, giving you opportunities to

Optimize your service to humanity, Earth, and your Total Self. Shift into collective states emphasizing integration, connection, and conscious creative expression.

Attune even more deeply to the voice and consciousness of Earth herself. Many prophecies about our time period refer to unique alignments between our Earth and the galactic core. Bob Monroe wrote about converging energy streams that would be affecting Earth. Learn about Stargate, the Galactic and to “surf” the various energetic pathways and flows that are coming into being.

Examine the nature of our symbiotic relationship with Earth. Attune even more deeply to the voice and consciousness of Earth herself. Examine the nature of our symbiotic relationship with Earth. Experience your unlimited nature as an infinitely-faceted multidimensional being and contribute on a level not previously imagined.

Explore the Wisdom Paths of Ancient Civilizations that can Assist Us Here and Now. Learn the teachings from cultures where space-time shifting was accepted and used while simultaneously exploring contemporary science, especially physics.

Experiment with emerging patterns of awareness. As energy supplants form, the role of consciousness moves to the forefront, and the inner and the outer become one. Building on these new understandings, we examine perspectives reminding us that we are not only more than our physical bodies—we are more than the physical universe, more than the infinite parallel universes that science hypothesizes.

What You Get

In addition to the program materials and audio exercises, you will receive the following benefits.

Semi-Private Rooms Standard accommodations are double-occupancy rooms.	**Free Wi-Fi** Free Wi-Fi is available for guests	**Daily Meals** Our dining menu offers many healthy fresh options with a farm-to-table philosophy.
Shuttle Service Local area, shuttle transportation is included on the first and last days of each program.	**Swimming** During afternoon breaks, enjoy a dip in the swimming pool or lake (weather-permitting).	**Massage** Massages are available during weeklong retreats during afternoon breaks. (additional fee)
